May 2011  
*Westmont College*

**Bachelor of Arts in Social Science**

## TOOLS

Adobe Photoshop  
Sketch  
MS Office  
Mailchimp

### About Me:

I was born in Nairobi, Kenya and raised a four hour drive to the nearest paved road. I did high school in Portugal. I moved to the USA in 2007. My very first experience designing was at the age of 6, designing traditional Maasai Jewelry with my "koko" or Maasai grandmother. I think the most perfect intersection of estetic beauty and functionlity can be found in a bycicle.

## EXPERIENCE

### **Freelance Multimedia Expert**

**2014 - Present**

- Identified client's core identity and prompted their branding through graphic design
- Built and maintained Squarespace websites for musicians and small businesses
- Designed and oversaw printing of album art, flyers, tour posters and merchandise
- Filmed, edited and published live performances and promotional videos for bands and musicians
- Planned and managed social media campaigns, bringing attention to upcoming events and releases

### **Carpenter | Santa Barbara, CA**

**2011 - 2014**

- Managed small teams to complete residential remodels, while maintaining excellent communication with general contractor and clients
- Worked independently to complete carpentry projects on residential and commercial jobs
- Oversaw detailed oriented carpentry and gurunteed perfection in final products and builds

### **Safari Guide | Tanzania**

**2009 - 2014**

- Designed and managed itineraries and budgets of high adventure safaris in Tanzania
- Organized and ran recruiting events to ensure sales goals were met
- Problem solved issues for clients, in the face of international travel in a third world country, to insure absolute happiness and comfort
- Guaranteed clients felt safe and cared for at all times
